

Appl. No. 09/998,392  
Supplemental Amndt. dated 05/17/2005

**REMARKS**

By this Amendment, Applicants have corrected a few typographical/grammatical errors. Applicants have also added new Claim 13 for consideration. The newly added claim contains the limitations of ***highlighting Web pages arranged in categories on a server by comparing URLs of bookmarked Web pages in a bookmark folder with URLs of the Web pages in the categories, and highlighting all the Web pages in the categories that have the same URLs as the bookmarked Web pages.*** Applicants submit that the newly added claim is allowable. Hence, Applicants respectfully request reconsideration, allowance and passage to issue of the claims in the application.

Respectfully submitted,
